ent date ahews that there is abundant testimony to make out that she made a port of the United States a naval base, and therefore comes clearly within the ecope of the act 1818. Besides this, the fearnessman testing of the treaty of 760 with Spale, compels the United States to defain any privalence commanded by American citizens, and intended for depredation on Spanish commerces. Her officers are mostly American. The Spanish Minister has also addressed this Government a sort of protest against the Hornet being allowed to go to ea, which complicates that the Hornet, will be configered, and her officers tried for violating the neutrality laws. That is the name the rease it recognized by here, but it is understood that after abe left Halifax her name was changed.

An evening paper says that Secretary Fish has received a singuistic from England and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France informing him that instructions have been given to the English and France information of the bath houses was completed to-day. The Governor did not send in the habit of communicating official dispatches to our Secretary Fish answer to an inquiry as to its truth.

The Legislature Organized Press
Convention—Counterfeit Nickels. Convention—Counterfeit Nickels.
Namynlla, Oct. 6.—The House completed its organization to-day, and both branches are ready for legislation.
A meeting of editors took piace here to-day, Almost all of the political newspaper press of the country was reparaented.
The quantity of counterfeits of the nickel five-cent con in circulation here, is large and very an eying to business men.

MRS. STOWE. She Addresses the Priends of Justice and Fair Dealing. Harryonn, Cosm., Oct. 6.—The Courant of to-morrow will contain the following card from Mrs. Stowe:

of to-morrow will contain the following cardfrom Mrs. Slowe:
To the Editors of the Courons:

Mrs. Stowe deares the friends of justice and
fair dealing to publish for her this announcement, that the mas kapt alteace herelofted in
regard to the criticism on her article on Lady
Byron for two reasons: First, became she
regarded the public mind as in too excited a
state to consider the matter dispassionately,
and, ascendly, becames she has expected the
development of additional proofs in England,
some of which are of great importances, and
have already come to hand. Mrs. Stowe is
preparing a review of the whole matter, with
further facts and more decuments, including
several letters of Lady Byron to her attesting
the vigor and soundness of her mind at the
time referred to, and also Mrs. Stowe's own
letter to Lady Byron at the same time, which
were returned to her by the executors soon
after that lady's death. She will also give the
public a full account of the circumstances and
reasons which led her to feel it to be her duly
to make this disclosure—as a duty alike to

to make this disclosure—as a duty alike to justice, gratitude, and personal friendship. MINNESOTA.

(Special Disputch to the Courier Journal)

New York, Oot. 6.—Money works easy to berrowers on call offering acceptable colleters, and 7 per cent, currency, has been the highest rate, with a spood dead done at 6 per cent. The decline he prices during the late pante has materially diminished the amount required by baskers who carry stocks on margine, as has also the purchases by capitabuts who have pasil is full. The shipments of currency from this center to the South and West are small.

Gold rules very strong. It begins to be feared that the next Congress will authorize additional greenbacks, and gold is spatingly offered.

and when this was known the carry attented was look.

HAILWAY HEARES

a decline in prices. The principal dealings have been in Mehigan Senthaire, New York, Central, Northwest, St. Panl, Rock Island and Reading. The variations, however, rarely exceeded) one per cest, except in Vanderbilt stock. New York Central closed three per cent, and Hudson River two per cent, below the highest prices of the morning. Pacific Mill was active than yesterday.

Rumors of consolidation between Wells, Ying and Pacific Express are not confirmed.

Ex-President Andrew Johnson is bus in Nashville. He said two or three days age to a friend of ours, that he was certain to be elected U.S. Senator on the first bal-lot. The Legislature probably might do better, certainly a great deal worse. Mr. Johnson, if elected, will be not merely a There is one more, why the number of designmere, why the number of designmere, why the number of designmere, town and corporation should be limited. There are to many cities, towns and corporations in this populous country of ours, that, it eighteen delegates were admitted to the Convention from each, the Committee of Arrangements would be Committee of Arrangements would be Committee of Arrangements would be do that. But he can and will, if opportunity shall offer, tell some terrible truths, and these will not be without their influence. But Lexington understands all this. She requires no apology for the CountrianJournally kindly-intended reminder that the number of her delegates is limited, as is the number of her delegates is limited, as is the number of delegates from every other city in the Union.

Gen. Camby and Virginia.

Gen. Camby and Virginia.

According to the latefilience teem Pick.

A European immirration agency has been established in Ystashurg.

James Gimer, a noted increding has been dependent of the United States the question whether that oath was necessary to enable the members close of handred for cotion picking.

A. J. Golding said wife, of Memphia, sak to be divorced from each other for the second time.

There is more schemes in Dyer county, remeasure, than has been for years. Flux is raging with final results.

The postponessent of the election is Texas, until sher Couprass meets, is not linegisher improbable.

Help Wanted.

The following appeal to the white people of Louisville it om the congregation of Quinn Chapel, African M. E. Church, has been handed us for publication. The cause in behalf of which the appeal is made is certainly a good one, and worthy of the aid of all who feel in interest in the moral and religious advancement of the African race in the mixed of us. It is to be boped that the help they sak in this case will be given them. They already have several handsome churches in the city, and they should be encouraged in all their efforts to build others. They are themselves remarkably liberal in their constributions to such enterprises: are themselves remarkably liberal in away con-tributions to such enterprises;

TO THE BENEVOLENT PUBLIC: There are three colored churches in the western portion of this city, but such has been the increase of our poot-lation and the growing devire for church sitend-der the proving devire for church sitend-therefore, in crief to meet this growing demand
